Carrizosa-Arriola Rites Read at St. Catherine's

In an exquisite wedding gown of Chantilly lace over satin Miss Billie Carrizosa, daughter of Mr. and Mrs. Louis G. Carrizosa, 18445 Amie, walked down the aisle of the St. Catherine Labouré Catholic church to make her wedding promises to Joseph R. Arriola, son of Mr. and Mrs. Gregorio Arriola of Anaheim.

The skirt of the gown was of four tiers of Chantilly which fell into a chapel train. Her elbow-length veil was held by a tiara and she carried white orchids, carnations and Stephanotis.

Mrs. Armida Olvera was her sister's honor attendant. She wore pink crystallette and carried a pink carnation nosegay.

Bridesmaids were Misses Maggie Arriola, Dianne Arguello, Arlene Espinosa, Gloria Herrera, Madeline Espinosa, Evelia Manjorrez and Lupe Martinez. Junior brides-

maids were Mary Lou Carrizosa and Roberta Chavez. All wore pale blue crystallette gowns and small blue feather headbands. Each carried a nosegay of blue carnations.

Little Joanne Rivera, as flower girl, wore pink crystallette and carried a white basket.

William Olvera brought the rings to the altar on a heart-shaped cushion.

Raymond Cisneros was best man and ushers were Raymond Reyes, Thomas Martinez, Robert Cruz, Frankie Rodriguez, Eddie Herrera and Tony Lamos.

The Rev. Raymond Tepe officiated at the marriage. A reception for the 250 guests followed in the Moose Hall in Torrance.

The couple spent a honeymoon in Santa Barbara and are now at home in Inglewood.

The bride was graduated from Torrance High school in 1953. She was a member of the Spanish club, and GAA.

Jeannette Wright and Partner In Roller Skating Spotlight

By MILDRED HUNT

Young hopefuls with their eyes on the top bracket in the roller skating world are Miss Jeannette Marie Wright and her partner William Vesta Sweeney who have been skating as a pair and winning medals for their graceful dance routine.

Miss Wright, who is a junior princess of Job's Daughters, Torrance Bethel, first saw the light of day at the Torrance Memorial Hospital. She is a member of the Torrance Baptist Church and a junior at Narbonne High School.

The youthful duet began to skate a year ago. Jeannette began at the local roller drome while her partner, who is known as "Bill," started at the Hippodrome. They received training from Marilyn Gormley.

Their dreams are gradually being realized as they were selected for second place out of 85 couples in a novice dance contest at Fullerton. They were awarded silver medals for their part in the Skater's March. Both are now working on their dance test medals and hope to achieve a gold medal in dancing.

At present they are planning to enter a judging course in September and will be eligible to judge contests.

Their ascent up the ladder to become successful skaters has been a steady climb for them but, with a few disappointments, too. They missed qualifying for one of three places in the California State Regional Championship that would have taken them to the national skating contest held each summer in Richmond, Calif. Next year, they feel confident they will make it.

Adding greatly to their ability is their enthusiasm and attractive appearance as a couple which should make them a standout in any con-

A program planning meeting for Crenshaw Elementary PTA was held at the home of Mrs. Don Robinson on Tuesday, July 31. Those present were Mrs. Clint Chapman, president; Earl Eckert, principal; Mrs. William Atwood, secretary; Mrs. James Bramlett; Mrs. Clarence Richards; and Mrs. John Ruckler.

The theme, "Strengthening Our Communities Through PTA" was chosen for the year. Proposed activities include a study of the needs of the community, renewing friendships and acquiring new friends and co-workers through newcomers at school. The promotion of a school library and encouraging citizens to vote are among goals for the year.

Childcare and entertainment of school age children during the PTA meetings was proposed in order to permit attendance of more parents. Student and parent participation were requested. Earl Eckert, principal, stated that student participation with classroom demonstrations will be available.

Plans were made for a Budget and Finance Committee meeting early in August. The regular board meeting will be at the home of Mrs. Clint Chapman on Wednesday, Aug. 15.

SLIMMERIZING DUCK QUIZ

Question:

Did you resolve to slenderize in 1956?

MILLINERY DESIGNER

Marguerite Parie

I certainly did by checking carefully and talking to my friends I found that Stauffer System was a wonderful relaxing method of weight reduction. My posture has improved, too. My friends were right, for Stauffer really works.

HOMEMAKER

Mrs. Grace Dawson

Yes, I have been a Stauffer Salon patron since '55. The results have pleased me, my family and our friends. I've lost 31 pounds and 40 inches over all. And I'm so happy, thanks to the fun at Stauffer.

YOUNG MATRON

Mrs. Gloria Werner

Yes! Experience had proven to me that diet alone would not solve my figure problem. I needed to lose those inches in the RIGHT PLACES, and I wanted firm muscle. My Stauffer Salon visits have given me both.
